

2014-15 ROTARY DISTRICT 6080 ACADEMIC-YEAR AMBASSADORIAL SCHOLARSHIP APPLICATION

PROGRAM OBJECTIVES

The Ambassadorial Scholarship program supports the mission of The Rotary Foundation of Rotary International to advance world understanding, goodwill, and peace by:

- Increasing awareness of and respect for cultural differences by sending ambassadors of goodwill to study in another country
- Instilling in scholars the Rotary ideal of Service Above Self through active participation in Rotary service projects
- Encouraging scholars to dedicate their personal and professional lives to improving the quality of life for the people of their home communities and countries
- Developing leaders who can address the humanitarian needs of the world community
- Impacting all areas of the world through a balanced geographical distribution of scholars
- Encouraging Rotarians worldwide to increase the educational opportunities for scholars from low-income countries
- Fostering a lifelong association between Rotary and its scholars

Candidates should consider these program objectives carefully before applying and be prepared to explain in their essays and during the interview process how their study plans will support the objectives. *For example, scholars can contribute to impacting all areas of the world through balanced geographical distribution of scholars by being flexible in their preferred study institutions.*

Scholars are encouraged to request to study in countries that host relatively few scholars, such as Japan, Korea, Scandinavia, and developing nations in Africa, Asia, Eastern Europe, and South America. Other ways of demonstrating support for the objectives include a commitment to community service or international humanitarian service and to long-term involvement with Rotary International. Scholars are encouraged to support the Rotary focus areas of humanitarian need by choosing a study field that relates directly to peace and conflict prevention and/or resolution, disease prevention and treatment, water and sanitation, maternal and child health, basic education and literacy, and economic and community development.

Rotary seeks out students who are prepared for the challenge of serving as outstanding ambassadors of goodwill. If you receive an Ambassadorial Scholarship, you will be expected to participate in the following activities:

- Attend any orientation programs organized by your sponsor and host Rotary districts; failure to attend may result in forfeiture of the award. Orientation will include training on how to develop and make presentations. (See www.rotary.org for details.)
- Before departure, attend meetings of your sponsor Rotary club and Rotary events in your sponsor district as invited, and present at least one talk to a Rotary forum. If you do not reside in your sponsor district, attend Rotary club meetings and Rotary events, and present at least one talk to a Rotary forum in your area.
- Make yourself available for and encourage media interviews at home and abroad.
- Maintain full-time academic studies with distinction, giving equal importance to the ambassadorial and academic aspects of the scholarship.
- Be actively involved with Rotary in your host district, making at least 10-15 presentations to Rotary and non-Rotary audiences. Submit required reports to The Rotary Foundation describing your academic progress and Rotary activities, including completion of the final report one month before completing your scholarship period. *Funds will be withheld until required reports are received.*
- *Maintain communication with your sponsor and host Rotarians before, during, and after your study period. Upon completion of your studies, contact your sponsor Rotary club and other clubs in your area of residence and offer to share your ambassadorial experience at Rotary club or district meetings, and participate in Foundation alumni activities. Also, seek out opportunities to participate in activities of your sponsor club and district.*
- Present at least eight talks to Rotary and non-Rotary audiences after you return home.
- Register contact information with Alumni Relations at The Rotary Foundation, keeping your address, telephone number, and e-mail address updated at all times.

(**Note:** *Sponsor* refers to the Rotary club, district, or Rotarians from the home country where the application was submitted and selection is made. *Host* refers to the Rotary club, district, or Rotarians from the study country where the scholar is assigned to study.)

INSTRUCTIONS

Before completing this application form, please read the details related to Ambassadorial Scholarships on the Rotary International website at www.rotary.org as well as the *Program Guide for Rotarians* and the *Ambassadorial Handbook* on www.rotary6080.org. You must submit this completed application form and all supplemental sheets to a Rotary club in the area of your legal or permanent residence or place of full-time study or employment no later than March 15, 2013. You should be prepared for personal interviews at the discretion of the sponsor Rotarians at both the club and district levels.

Essays

Please prepare the following documents with your name and the name of the sponsor Rotary club in the upper right-hand corner. Submit your own translation (typed) of all essays into the language of the study countries where the native language is not your own.

1. A brief autobiography, no longer than two pages (excluding translation), describing:
 - Academic strengths and challenges
 - Work experience
 - Volunteer activities
2. A detailed statement of intent, no longer than three pages (excluding translation), describing:
 - Your reasons for applying for a scholarship
 - Your proposed field of study and future career plans, including an explanation of how these plans will support The Rotary Foundation's mission to advance world understanding, goodwill, and peace and the objectives outlined on page 1
 - Your reasoning used to determine your preferred study countries and study institutions and how they support your goals for serving as an ambassador of goodwill
 - A community service project or activity you intend to carry out while abroad, possibly in conjunction with a Rotary club
3. A list, no longer than one page (excluding translation), summarizing principal interests and activities, noting those in which you have held leadership positions. Indicate any training or experience in public speaking and community service involvement.

Language Ability Form(s)

If you list study institutions in countries where the native language is different from your own, you must have a Language Ability Form completed by a language teacher for each applicable language. Even if your course of study is taught in your native language, you should complete a form, as proficiency in the host country's official language is a requirement of the scholarship, including fulfillment of your ambassadorial duties. You must provide documentation confirming that you studied the language for at least two years at the university level or equivalent, preferably more. A form is provided in this application (pages 6-7) for that purpose. Please include TOEFL scores with the application, if applicable.

If an additional Language Ability Form is needed to document your proficiency in a second foreign language, please make a photocopy. *Failure to demonstrate language proficiency may result in rejection of your application.* Indicate your ability to read, write, and speak the language (if different from your own) of each country in which you propose to study. Fill out Section I of the Language Ability Form, and have a language instructor fill out Section II.

Recommendation Forms

Applicants should complete Section I and have three academic instructors or appropriate employers/supervisors complete Section II of the Recommendation Forms on pages 8-9 and 10-11, respectively, of this application. You should inform educators or employers/supervisors completing these recommendations of the purpose of a Rotary Ambassadorial Scholarship. Educators or employers/supervisors are welcome to submit their recommendations on official letterhead.

Transcripts

Provide original transcripts from all post-secondary colleges or universities attended.

Be sure to submit a complete application to your local Rotary club no later than March 15. Incomplete applications will not be considered.

Restriction Based on Scholar's Previous Experience in the Requested Study Country

The Ambassadorial Scholarship is intended to promote study in a location that is new to the scholar. Scholars may not be assigned to an institution where they have attended, currently attend, or will attend before the start of the scholarship study period. Scholars will not be assigned to a country where they have previously lived for more than 12 months.

STUDY INSTITUTIONS

Please read carefully before proceeding.

In placing scholars in study institutions worldwide, Rotary seeks an equitable geographic distribution. Therefore, *candidates must be flexible with their preferred study institutions*. Applicants are expected to have thoroughly researched these institutions to determine if they offer your program of study and what funds, in addition to the scholarship, would be required to meet costs associated with your studies. Applicants who request and are assigned to an institution where total costs exceed the flat grant amount will be responsible for covering costs beyond that amount.

Restrictions:

- All applicants should list five institutions in at least three countries. All countries listed must contain a Rotary club and cannot be the applicant's sponsor country. Rotary clubs can be found in more than 200 countries and geographical areas.
- List no more than one institution in each city.
- Study fields that limit the applicant to one study institution or country may make it impossible to assign a preferred institution and may result in rejection of the application.
- The scholarship may not be used in conjunction with a "study abroad" program operated by an institution.
- Applicants should not request assignment to an institution where they will already be enrolled before the scholarship year. Scholars will not be assigned to an area of a country where they have previously lived or studied for more than 12 months. Scholars will not be assigned to an institution where the study program will take place in more than one location or more than one country.
- Scholars should plan to begin studies at the start of the academic year of the assigned institution. If you are assigned to an institution located in the Southern Hemisphere, you will be expected to begin your scholarship period in February/March 2015. Studies cannot begin before 1 July 2014.
- **It is the scholar's responsibility to apply directly and gain admission to the assigned study institution and be able to provide evidence of sufficient funding to meet any financial requirements beyond the scholarship amount. It is strongly recommended that scholars apply to their preferred study institutions in accordance with your prospective host institution's admission deadlines as study institution assignments may be made after admission deadlines.**
- Applicants requesting assignments to popular cities should understand that it is likely they will be assigned to institutions located outside these areas. Popular locations include Boston, Buenos Aires, London, New York, Oxford, and Paris.

Rotary District 6080 reserves the right to assign scholars to any institution listed below or another suitable institution. Because the scholarships are not intended to fund continued studies at a particular institution, do not list any study institutions you have attended or will attend before beginning your Rotary scholarship. Information discovered later regarding the amount of time spent studying or living in the same area as the assigned study institution could invalidate the study institution assignment. Applicants are encouraged to list study institutions in regions that do not host many scholars (i.e., low-income countries).

Please list your preferred study sites in rank order:

1. _____			
2. _____
