Council on Legislation 2016

Your Rotary club or District 6080 may submit legislation to amend RI's constitutional documents or policies. Legislation proposed by a club must be endorsed by the clubs of the district in order to be presented. The District Conference business meeting is an ideal time for this action.

A proposed enactment seeks to change RI's constitutional documents.

A proposed resolution seeks action that does not affect RI's constitutional documents.

Deadline for submission is **Dec. 31 2014**.

Contact COL Delegate Raymond Plue at 573-449-4387 or plue-r@socket.net.

What is the Academy?

First of all, the District Leadership Academy does not teach “leadership skills” such as public speaking, motivating members, etc. The Academy program is six courses providing in depth training for future district & club leaders in all of the programs and aspects of Rotary to insure they will have a strong base of Rotary knowledge to serve in Rotary leadership positions. If this is your interest, then the Academy program is the program for YOU.

The Academy Logo

The Leadership Academy logo is unique in its design and was created especially for District 5110 (the district that founded the Academy program). The logo is a combination of various sized wheels. The first wheel in the logo is the Rotary wheel which represents Rotary and its leaders. They are the “cogs” in the wheels that connect our clubs, our communities, our district and the world to make things happen. One cannot operate without the other. It is the efforts of many, working together, that accomplish all that Rotary does. The Rotary wheel leads the way as a guide to inspire future leaders.

Academy logo pins have been awarded to all Academy graduates and are awarded to each class of new graduates.

The Academy pin carries with it great prestige and great responsibility with the understanding that the wearer has a responsibility to SERVE.

Districts Currently Part of the Academy Program

The number in parentheses is the year the district joined the program.

Rotary District 5110 (1998)

Rotary District 5010 (Alaska) (2006)

Rotary District 5010 (Russia) (2008)

Rotary District 6110 (2011)

Rotary District 6080 (2014)

Since 1999, when the first class graduated from the District 5110 Leadership Academy, there have been more than 750 graduates in the program from the programs currently running. This includes 202 graduates from the District 5010 Russian Academy which is taught completely in Russian.

As Rotary changes, so does the Academy program with its curriculum and course work being updated and revised each and every year in order to be relevant.

This is Rotary's most comprehensive educational program and is often referred to as “Rotary Graduate School”.

Its primary goal is to prepare and train Rotary leaders for the future. Graduates praise the program and call it their . .

***“most valuable and rewarding
Rotary Experience”.***
