## World Polio Day October 24

- **End Polio – Now and forever;** the number one priority and goal of The Rotary Foundation.
- **Enhance Public Image and Awareness;** one of three priorities of the Rotary International Strategic Plan.

District 6080 is asking each and every Rotarian to contribute at least \$20 to polio plus this year. You are also asked to raise polio awareness and increase Rotary's public image by placing the Rotary polio story in your newspaper and on your radio and television stations.

- Polio cases per day 1980: 1,000
- Total polio cases 2015: 41 (in 2 countries)
- Three types of wild polio virus; type 2 officially declared eradicated; type 3 has not been isolated in the world for 3 years; only type 1 remains to be eradicated.
- Health care workers killed while vaccinating children against polio: 74

**Polio has no cure, but it can easily be prevented with a vaccine.**
