POLIOPLUS NEWS FLASH

There were **1,000** cases of polio **every day** when Rotary International pledged to eradicate the virus and encouraged the likes of the World Health Organization, CDC and governments of the world to get on board and make it happen.

Today there is less than **one** case per **week**. In fact, there have been only seven cases of wild polio virus during the 12 weeks of this calendar year—one case in Afghanistan, paralysis on Feb. 1; six cases in Pakistan, last paralysis seen on Feb. 16.

The world is discontinuing use of the trivalent vaccine on April 15 and will use the bivalent vaccine containing only polio wild types 1 & 3. Type 2 has not been isolated in several years.

The Leadership Academy of District 6080

**Be an Effective Leader
Be Part of Rotary's Future**

Enroll in the District Leadership Academy Class of 2017

In September 2014, District 6080 launched the **District Leadership Academy** program and gave District 6080 Rotarians the opportunity to enroll in this outstanding online leadership program.

Presidents-elect, Presidents Nominee, Past Presidents, Assistant Governors, District Committee Chairs, as well as all club officers and directors and those who aspire to serve as leaders at the club or district level, are encouraged to enroll in the DLA program. The DLA is a 7 1/2 month series of courses in Communications, Membership, Public Image, Youth Services, RI Organization, and The Rotary Foundation. All courses are taught online " using the **Canvas Virtual Classroom** Learning Management System. Each course is taught by an experienced Rotarian with extensive knowledge in their specific course topic.

Since District 5110 (*the Academy founding district*) began the program 19 years ago, 12 Rotary districts have adopted the DLA to train their club and district leaders. In all, these districts have graduated more than 1400 Rotarians. As the latest district to adopt the DLA, District 6080 believes that Leadership Academy training will provide our Rotarians with the broadest Rotary background possible, thereby enabling them to be the effective leaders that our clubs and district will need to grow and strengthen Rotary. All interested Rotarians are encouraged to learn more about the DLA and enroll for the Class of 2017. Download DLA information enrollment documents from our District Leadership Academy web site.

What is the Academy?

First of all, the District Leadership Academy does not teach “leadership skills” such as public speaking, motivating members, etc. The Academy program is six courses providing in-depth training for future district and club leaders in all of the programs and aspects of Rotary to insure they will have a strong base of Rotary knowledge to serve in Rotary leadership positions. If this is your interest, then the Academy program is the program for YOU.

The Academy Logo

The Leadership Academy logo is unique in its design and was created especially for District 5110 (the district that founded the Academy program). The logo is a combination of various sized wheels. The first wheel is the Rotary wheel, which represents Rotary and its leaders. They are the “cogs” in the wheels that connect our clubs, our communities, our district and the world to make things happen. One cannot operate without the other. It is the efforts of many, working together, that accomplish all that Rotary does. The Rotary wheel leads the way as a guide to inspire future leaders. Academy logo pins have been awarded to all Academy graduates and are awarded to each class of new graduates. The Academy pin carries with it great prestige and great responsibility with the understanding that the wearer has a responsibility to SERVE.

Districts Currently Part of the Academy Program

The number in parentheses is the year the district joined the program.

Rotary District 5110 (1998)
Rotary District 5010 (Alaska) (2006)
Rotary District 5010 (Russia) (2008)
Rotary District 6110 (2011)
Rotary District 6080 (2014)
Rotary District 6440 (2015)

Since 1999, when the first class graduated from the District 5110 Leadership Academy, there have been more than 1,000 graduates from the programs currently running. This includes 243 graduates from the District 5010 Russian Academy, which is taught completely in Russian.

As Rotary changes, so does the Academy program, with its curriculum and course work being updated and revised each and every year in order to be relevant.

This is Rotary’s most comprehensive educational program and is often referred to as “Rotary Graduate School.”. Its primary goal is to prepare and train Rotary leaders for the future. Graduates praise the program and call it their . .

“most valuable and rewarding Rotary Experience.”
