

Dear District 6080 Rotary Family:

Happy Rotary New Year! Let's make this the best year we have ever had! Let's be good at inspiring and motivating each other to Serve To Change Lives, our 2021-2022 theme! Let's continue to engage our members, develop leaders, grow Rotary by inviting someone to Rotary, maybe someone different from yourself, and retain the members that we have! Let's continue to increase our Foundation's impact. In 2019-2020 our Foundation awarded \$95.6 million in grants—can you imagine the impact our organization is making on the world in Rotary's seven areas of focus? Let's keep it up!

As our new Rotary International President Shekhar Mehta says, "The beauty of Rotary is that service means different things to different people around the world. One element, however, that we can incorporate into all of our service initiatives is empowering girls. Unfortunately, even in this day and age, girls and young women face disproportionate challenges all over the world. We have the power to lead the charge for gender equality. Empowering girls and young women to have greater access to education, better health care, more employment, and equality in all walks of life should be embedded in every Rotary project we launch. Girls are future leaders, so we must ensure that we help them shape their future."

In closing, I know as you read this newsletter you will see that our District is making a difference in our communities, our states, our country and our world. I am so proud to represent you to Rotary International and I hope to be able to touch all 2,322 of you in some way throughout this year. Thank you for all you do, let us CONTINUE to Serve To Change Lives!

Joan Kramer of the Jefferson City Evening Rotary Club was installed as District Governor for Rotary District 6080 on June 29 at McClung Indoor Pavilion in Jefferson City. Zatuilla Nara, new president of Jefferson City Evening Rotary Club, was installed as well.

The installation was a hybrid event, with in-person attendance limited to Joan's home club, district leaders and past district governors. All other Rotarians in the district were encouraged to join the event virtually.

RI's President Announces Presidential Initiatives

Elected for the 2021-22 term, Rotary International President Shekhar Mehta is a member of the Rotary Club of Calcutta-Mahanagar, West Bengal, India. Mehta, an accountant, is chair of the Skyline Group, a real estate development company he founded. He is also a director of Operation Eyesight Universal (India), a Canada-based organization.

Mehta will have three special initiatives for the 2021-22 Rotary year aimed at increasing our impact through service and expanding our reach by introducing new members to Rotary. Mehta is asking every Rotarian to make membership a responsibility through the Each One, Bring One campaign.

His initiatives are:

- **Empowering girls.** To address the inequities that girls face worldwide, members will be encouraged to launch a club-based initiative or be part of a district or global grant that improves the health, well-being, education, and economic security of girls in their communities and ensures their access to resources.
- **Rotary Day of Service.** Clubs will be asked to collaborate to conduct hands-on service activities with members of their communities and share those activities on Rotary Showcase.
- **Presidential conferences.** A series of presidential conferences will highlight club humanitarian efforts in their communities and around the world. Members should invite a friend to one event so they can learn about Rotary's work and be inspired to join us in our commitment to service.

Rotary Club of Central Missouri Chartered

The Rotary Club of Central Missouri, located on the campus of the University of Central Missouri in Warrensburg, was chartered May 28. A celebration was held June 30 in the Student Union on campus, with both District Governor Joan Kramer and Immediate Past District Governor Jacque Howard in attendance.

The new club has 23 members and is led by President Brian Hughes (left), an associate professor at the University of Central Missouri and a former member of the Rotary Club of Warrensburg.

Nolan Brooks is president-elect, Roary Hutt is secretary, Bryan Jacobs is treasurer, Paul Polychronis is Rotary Foundation chair and Past District Governor Jerry Franklin is membership chair.

Above: District Governor Joan Kramer and Immediate Past DG Jacque Howard. Far left: Officers and chairs of the new Rotary Club of Central Missouri. Left: Brian Hughes, charter president of the new club.

August is Membership and Extension Month. Why don't you look into forming a new club or sponsoring a new satellite club. Satellite clubs can start with as few as eight members. Satellite club members are also members of the sponsor club. They are counted in your membership totals, dues and fees go through the sponsor club, and a member sits on the sponsor board. It is a great way to expand your club by providing an option for prospective members, whether it be a different time, less frequent meetings, a different format, option of no meals/cost, and maybe a desire to focus service in one of Rotary's Areas of Focus or cause:

- Environment
- Peacebuilding
- Veteran's needs
- Disease prevention and treatment
- Basic education and literacy
- Water and sanitation
- Maternal and child health
- Economic and community development
- Disaster relief

Columbia Metro Receives National Recognition

Columbia's Metro Rotary Club received a national recognition for its district-grant-funded project titled **"Being mad, sad, or glad really isn't all that bad! #SMARTSTART!"**

The program, which arose from a partnership between Metro and the Columbia Public Schools (CPS) Title I Preschool program, was recognized as a 2021 Promising Practice by [Character.org](https://www.character.org/), a national organization that promotes "schools of character."

The Metro/CPS program aims to improve young children's safety, security, self-regulation skills, and knowledge. It uses research-based activities to build meaningful connections with students in order to increase attention spans, reduce hyperactivity, build self-esteem and facilitate language development using "feeling buddies", and multi-sensory tools.

Over 600 preschool children and their families were positively impacted by this project. Metro Rotary contributed \$3,400 towards the project, which was matched by a District Simplified Grant.

"Feeling Buddies" being prepared by Columbia Public Schools and community partners. These Gingerbread Men-like dolls allow Title 1 preschool students to better express how they feel to their parents and teachers.

Each incoming Title 1 preschool student receives a book that informs them of classroom procedures such as arrival or dismissal, how to walk safely in the hallways, or how we work together as a family.
